

## Your selection for a cleaner environment makes the difference!

-  Use only as much water as you need.
-  Use only the energy you really need.
-  Set the air-conditioning temperature at 24°C.
-  Switch off the lights and air-conditioning upon leaving the house.
-  Please do not throw papers in the toilet.
-  Please be informed that we are a non-smoking house.

Thank you  
for your participation in the initiatives  
that better serve the environment.

Earth is life, keep it healthy. Give green a chance.
